The addition of this new open plan zone, housed within modern tropical contemporary architecture and hidden within the rainforests high above the Andaman Sea, ensures guests receive the best of both worlds: the perfect place for dining, socialising and relaxing as well as the ultimate escape in the luxury of your own villa for those that value complete privacy.

Baba Poolclub, sprawling over 5,000 sq. metres, has many facets including gourmet restaurant, bar, outdoor lounges, disco, huge infinity pool, children's club, fitness area and inventive meeting and event space, all perfectly conceived to seamlessly blend together creating the best guest experiences...

- **DINING**: BabaQ is the Poolclub's open plan restaurant treating guests to a delicious selection of grilled seafood and meats cooked using barbeque methods. There is also a sushi bar with an exclusive Japanese menu created especially for Sri panwa by

renowned restaurant Honmono in Bangkok. Open all day, BabaQ will also have a cooking school with six individual cooking stations that transform in the evenings into private hotpot / fondue stations for guests to cook their own tailor made meals under the supervision of BabaQ's talented chefs. Food from BabaQ will also be served throughout the resort including within guests private villas.

- **RELAXING:** The Poolclub has an ultra large dark blue 25 metre infinity edge lap pool that drops right into the sky. A glass wall at the very edge of the pool allows for guests to peak through to the beautiful blue ocean below. The pool is surrounded by individual sunken pool beds, outdoor lounges, a sun deck and reflecting ponds all perfect for relaxing, enjoying yoga and drinking and dancing under the stars.
